

# Join forces with education and health leaders to take action for children's nutrition and physical activity

## Action for Healthy Kids™

... creating health-promoting schools that support sound nutrition and physical activity as part of a total learning environment.

AFHK is an integrated network of **51 State Teams** supported by a **national coordinating and resource group**, and guided by over **35 national organizations and government agencies** representing education, health, physical activity and nutrition.

Visit [www.ActionForHealthyKids.org](http://www.ActionForHealthyKids.org) for:

- ☀ **State Team pages** — featuring team goals and activities and links to state-specific resources, such as the state profile, with data on nutrition and physical activity in the school environment
- ☀ **What's Working** — examples of programs around the country that are already working to improve students' nutrition and physical activity
- ☀ **Resources** — a searchable database of over 200 tools, curriculum materials, research and data, grants and awards, and more
- ☀ **Fact Sheets** — on the links between nutrition, physical activity and student achievement, competitive foods in schools, benefits of school meal programs, and more

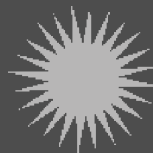

## Join Your State Team!

Action for Healthy Kids State Teams are:

- ☀ Working to improve nutrition and physical activity opportunities in schools
- ☀ Connecting people, resources, tools, ideas and actions
- ☀ Addressing state-specific priorities based on a team-developed Action Plan
- ☀ Targeting work at state and district level, impacting elementary and secondary schools
- ☀ Dedicated to sharing and fostering collaboration among diverse stakeholders to facilitate meaningful change in schools

To join a State Team, visit
